

New Class!

The Role of the Producer

**A THREE-SESSION CLASS
Taught by Dr. Tom Nash**

Saturdays, March 3, 10, 17, 2018

10 am-noon in the Video Studio between Clubhouse 2 and the Pool

\$15 for members, \$30 for non-members, (includes 2018 club membership)

Advance registration is NOT required

Who makes team-based video projects happen? Beyond those doing creative work in front of and behind the cameras, the essential role of “putting it all together” is played by the producer. That includes planning, funding, budgeting, lining up personnel, scheduling, handling legal issues, arranging distribution, and more. Does this challenging, managerial kind of creativity interest you? Come and find out!
