Multi-track video editing is a powerful and useful tool available VideoStudio X9 and later. Among other features, it automatically syncs sound when a shoot was done with more than one camera. Use Video Lab PCs or bring your own laptop equipped with VideoStudio X9 or later. **"Introduction to PC Video Editing with Corel VideoStudio" is a pre-requisite for this class.** \$5 for members, \$20 for non-members (includes 2018 club membership).

VIDEO LAB – Open to all Village residents Tuesday through Friday from 1 to 4 pm. for help with video-related projects. Convert old media such as 35mm slides and VHS tapes to modern digital formats. Borrow consumer camcorders for personal or club use (deposit required).

VIDEO ONE – Join our video production team, creating group and individual projects for Village TV, YouTube, and more. Learn to operate our cameras, mics, lights, switcher in the Video Studio. Contact Co-Facilitator Lucy Parker, lvparker@gmail.com, 949-456-4657 for more information.
