3 weekly sessions from 1-3 pm in the VIDEO LAB starting

Monday, September 17, 2018

Taught by

STEPHANIE BRASHER, *Video Club Apple Instructor
and Mac Club Supervisor and Instructor*

Tips, and techniques for video projects. Did you know there is a way to manually set the focus and exposure on your iPhone and iPad? Or that there are four ways to take a picture from your device?

This three-session class will help you get the most out of your iPad and iPhone through a variety of topics, including an overview of the camera and its hidden features, basics of shooting video, organizing your video and photos, Apple's useful tools (air drop, screen recording, markup), accessories for shooting video, and apps for editing and producing videos.

Pre-registration not required. \$15 for members, \$30 for non-members (includes 2018-19 club membership).
