Disneyland Behind the Scenes: How It All Works

GENERAL MEETING *Open free to members, as well as residents and their guests*

Thursday, October 18, 2018 – in the Video Lab

Located inside Gate 12 between Clubhouse 2 and the pool

Speaker: DON SWETZ

6:30 pm - Snacks & Socializing

7:00 pm - Program

Ever wondered how the “magic” happens in the Magic Kingdom? Village resident Don Swetz, a former “behind-the-scenes” professional at Disneyland, will give you the low-down at our next General Meeting. Don’s topic is “Disneyland Behind the Scenes: How It All Works.”

Says Don: “I will take the group from the first computer-controlled ride to today. I How I replaced mechanical controllers with electronic and computer control.”

Come along for the ride!

President Steve Carman will also introduce the Video Club’s 2019 slate of officers. Voting will take place at the November 15 General Meeting, when our speaker will be resident Cyndee Whitney, also a former Disney professional. Cyndee is well known to Villagers for her Village TV show, “Discovering Laguna Woods.” She will speak on “The Importance of Creativity,”
