

4-Session Class

**Fridays, January 4, 11, 18, 25, 2019**

**9:30 am-noon, Video Lab** (between CH 2 and Pool 2)

*Professional videographer **Scott Marvel** is a Village resident and producer of the monthly "Thrive" show on Village Television (all shot on his iPhone). Join him in this popular class!*

Instructor Scott Marvel says: "I want to help everyone in the Village who has a smartphone to learn how to tell the story in the camera. That's the goal of this class. I'm going to give you the mindset to help you get good at making short videos that are not boring. You'll produce your own video in class. You'll learn to work quickly, making every shot count. You'll also learn how to edit on your smartphone: Bring your clips into the editing program, review them, and make a rough-cut of your movie. Then re-arrange your clips for maximum impact and eliminate unwanted footage. Finally, add titles, music, and narration.

**Quickly create and share a short, interesting video."**

*\$20 for members, \$35 for non-members (includes 2019 club membership). Pre-registration not required.*
