sjgardiner1@gmail.com
to reserve a seat.

Did you know there is a way to manually set the focus and exposure on your device or that there are four ways to take a picture? Get the most out of your iPad and iPhone using all the hidden features, useful tools, and apps.

This three session class includes an overview of the camera and its hidden features, basics of shooting video, composition, how to organize your photos and video, Apple's useful tools (air drop, screen recording, markup), accessories for shooting video, and apps for editing and producing videos.
