**3 NEW CLASSES IN APRIL, 2019**

# SOUND CAMERA LIGHT!

**T**he Video Club offers you three new one-session classes in April to help improve your videos.

What goes into every video you shoot?

- SOUND
- CAMERA TECHNIQUE
- LIGHTING EFFECTS

Dr. Tom Nash will help you improve in all three areas. **Put these dates in your calendar now!**

*Open to all Village residents. No pre-registration required. Each class is \$5 for members, \$20 for non-members (includes 2019 club membership).*

## **“How to Record Great Sound”**

You capture the wedding, birthday party, etc., and the pictures are good -- but the sound? Not so good! This one-session course will teach you how to get great sound.

**Saturday, April 13, 10 am-noon, Video Lab**

## **“How to Get the Most from Your Video Camera”**

Supports, settings, and more. How to hold your camera steady. What are all those settings on your video camera about? Learn how to greatly improve your video quality with these simple principles.

**Saturday, April 20, 10 am-noon, Video Lab**

## **“Painting with Light”**

You have probably noticed that a person can look much older or younger, depending on the light. Or sometimes the person you want to see is just a dark silhouette. What went wrong? Learn the simple techniques of using light to enhance your videos.

**Saturday, April 27, 10 am-noon, Video Lab**
