

# THIRTY- SECOND SPOTS

**How to Make Them  
and What They Can Do**

## General Meeting

*Open free to members, residents, and their guests*

**Thursday, November 21, 2019 – in the Video Lab**

*Located inside Gate 12 between Clubhouse 2 and the pool*

## John Kelly & Bill Hemberger

Members John Kelly and Bill Hemberger will combine their extensive video and audio experience to explore the effective but very challenging video medium of thirty-second spots, with on-screen examples and discussion.

Voting will take place for the club's 2020 slate of officers. No General Meeting in December. Our speaker at the next General Meeting, January 16, 2020, will be Jeff Parker, new CEO/President of Village Management Services Inc. (rescheduled from the cancelled October 17 meeting).

*For more information, contact President Steve Carman,
