

# THE VIDEO CLUB CHALLENGE

“Creating and Preserving Memories Since 1989”, the Video Club is here to help you capture your history in video. It is with this in mind that we are extending “The Video Club Challenge” to all baby boomers, photographers and family historians. We all have a story to tell and there is no better time to start than now! The Video Club Challenge is to create a music video. This can be a simple tribute to a loved one, a depiction of a special event, a social commentary, or ? . . . Let your imagination soar, have fun creating, and enjoy the music!

There are no deadlines or prizes for this challenge. The reward is in the doing!  
After your music video is finished:

1. If your video is 4 minutes or less, Video Club members can submit their video for the club’s “2021 Goldies” short video contest. The entry deadline is February 1, 2021, and contest details can be found on the Club’s website.
2. If your video is longer than four minutes or you do not want to enter the contest, you can submit your video for consideration to be shown on the club’s Village TV show “The Video Club Spotlight”.
3. If enough entries are received, the Club will host a Zoom meeting to share your creative efforts and we can all enjoy your video.

*For instructions on submitting your Video Club Challenge video, please send your name, email, and phone number to [videocluboflagunawoods@gmail.com](mailto:videocluboflagunawoods@gmail.com) and ask to be sent “Challenge Video Submission Instructions”.*
