Help the Video Club produce our 5th Short Dramatic Film

"Seeking Online Adventures," an original comedy written by Mary Zolly, was shot during July, 2023 with plans for a fall premiere. Behind this project is an enthusiastic team of (mostly) Laguna Woods Village residents, sharing – step-by-step – the excitement and learning opportunities that are part of making a dramatic film.

Inspired by club Vice President Dr. Tom Nash, who founded Biola University's Synder School of Cinema and Media Arts, the Video Club undertook its first Short Dramatic Film in 2018. **Costs have gone up since then.** Help continue this challenging filmmaking tradition with a tax-deductible donation made through the Village Community Fund. Our goal is to raise \$500-\$1,000 by the premiere.
