

GENERAL MEETING

This program replaces a previously-announced program.

Music for Your Video Presentation

How to Use It / How to Find It

Wednesday, June 12, 2024

in the Video Lab located inside Gate 12 between Clubhouse 2 and the pool
6:30 p.m. Snacks & Socializing, 7:00 p.m. Program

Open free to all Village Residents and their guests – Note that resident ID is required at Gate 12.

Video Club President Jonathan Williams and Vice President Tom Nash and will introduce some principles about selecting music for your videos and will share some free and affordable ways to locate or create music you can use.

Says Tom Nash: "You generally should not use your favorite music in a video presentation. Why not? Come and find out." Topics will include:

- Why you should use music in your videos.
- Why you should NOT use your favorite music.
- The difference between foreground and background music, and why it matters.
- The dangers of copyright infringement, and how to avoid it.

Says Jonathan Williams: "There are an increasing number of either free or low-cost sources of music

Williams**

**Tom
Nash**

for videos, and we will demonstrate several of them, including some that use AI." Topics will include:

- Free or low-cost music libraries.
- Demonstration of software that generates original music for your presentation.
